

QUANTUM EDGE® ELITE

Bolsa® Nested

Leggett & Platt®

BeddingComponents.com

The Quantum Edge® Elite Bolsa® Nested unit features uniquely configured center zoning with an enhanced edge, reducing or eliminating that roll-off feeling and delivering a consistent sleep surface.

- **Quantum Edge® Coils** – A reinforced perimeter, made up of narrow-diameter Quantum® coils, that frames the sides, delivers a consistent sleep surface, and reduces that roll-off feeling.
- **Bolsa® Nested Coil Unit** – A dual-gauge nested center-zoning section for enhanced back support.
- **Stress-Relieved Wire** – Holds its shape and provides a durable, consistent sleep surface and minimizes partner disturbance.
- **Packable and Shippable** – Can be compressed, folded, and rolled.
