

Power Edge® Bonnell features a perimeter of coils that are up to 20% firmer than traditional Bonnell coils.

- **Clipped Borders** – Strengthen the edge further for a supportive night's sleep, free of that roll-off feeling.
- **Durability** – Provides a resilient, long-lasting sleep surface that springs back to its original shape after each use.
- **Stress-Relieved Wire** – Holds its shape and provides a durable, consistent sleep surface.
